

THIS IS VANDALISM

Miranda Mowbray

Not a lawyer.

This has nothing to do with my employer.

Los Angeles, 2010

"Authorities on Wednesday announced they've taken one of the Los Angeles region's most hardcore criminals off the streets" - LA Times

"Detective Marlon Johnson said that Ordoñez is suspected of causing about \$15,000 worth of damage to freeways, buildings and private property this year" – Pasadena Star News

He served 90 days in jail and 300 hours of community service.

- Video at: <http://www.youtube.com/watch?v=AouSoQdSslU>

“The detectives said Ordoñez kept cats as pets, and described him as a cat lover.”

- Pasadena Star Times

Copyright is for losersTM

Please feel free to

- Copy any www.banksy.co.uk imagery in any way for any kind of personal amusement
- Make your own Banksy merchandise for non-commercial purposes
- **Pretend you drew it yourself for homework**

Please do not:

- Put up signs saying "strictly no photographs" when all you do is sell photographs of my graffiti
- Write 'Banksy' next to an image of a panda waving hand guns (not mine, don't know whose it is)
- **Take images off my website and 'license' them for a huge fee to a German calendar company**

Text from www.banksy.co.uk (I made some of it bold font)

Smart City rules

- Smart Cities will have many sensors & actuators in public spaces
- For security and data accuracy, authorities are likely to forbid tinkering with them
- Street art suggests positive artistic adaptation of smart city technologies
